

AgriCorps Fellow Essay Questions

Applicant Experience

Please provide written responses for each of the following questions. Each response should not exceed 300 words.

1. Describe your experiences that make you a qualified AgriCorps Fellow. Highlight leadership work (particularly in 4-H/FFA), production agriculture experience, and experiences working abroad.
2. Explain your understanding of the Agricultural Education Model and how it facilitates learning and personal growth.
3. Tell us about a time you started or initiated a project and how did that go?
4. Being a yearlong AgriCorps Fellow is very demanding. You will live and work in a rural African community without electricity, running water, or other modern comforts. How will you adapt physically, psychologically and mentally?
5. Why do you desire to work as an AgriCorps Fellow?
6. How would working for AgriCorps help you achieve your personal and professional goals?
