

AgriCorps Fellow Reference Letter Questions

References

Please provide two letters of reference answering the following four questions. Select references who know you well, but not a close relative. Letters should be emailed to Gena Perry, gena.perry@agricorps.org by **February 1, 2019**.

1. Being a yearlong AgriCorps Fellow is very demanding. The Fellow will live and work in a rural African community without electricity, running water, or other modern comforts. How will your applicant adapt physically, psychologically and mentally?
2. AgriCorps Fellows will be required to start a 4-H/FFA type club and a school agricultural education program from scratch with little assistance. Is your candidate a creative, self-starter? Please give examples.
3. What other general qualities would prove to be a strength or weakness to your candidate for a yearlong AgriCorps assignment?
4. On a scale from 0-10, how highly do you recommend this candidate?
